

HTVPD SERIES

*THE ONLY VIBRATION REDUCED
RIVET BUSTER*

• PATENT PENDING •

HTVPD-41 SERIES
1-4" STROKE
CHIPPING HAMMER

The **HTVPD** series of tools provides a high level of power, productivity and reduced vibration to the operator. The **HTVPD SERIES** is an excellent solution to the devastating physical effects of hand hammering of large pins and various types of material removal.

The positioning system provides you with a convenient method to suspend the **HTVPD** for exact angle and use. The **HTVPD** is extremely durable and can withstand the heaviest Industrial and Demolition applications.

APPLICATIONS:

- ★ CASTING RISER REMOVAL
- ★ REFRACTORY BREAKOUT
- ★ CONCRETE DEMOLITION
- ★ LARGE PIN INSTALLATION
- ★ BRIDGE/STEEL REPAIR
- ★ PETROCHEMICAL
- ★ HEAT EXCHANGER MAINTENANCE
